Cheap and big can Baking Powder do not save you money. Calumet does—it's pure and far superior to sour milk and soda.

STILL DESERTING ARMY.

Since the war bug has been reported floating about the Mexican border an epidemic of desertions seems to have broken loose at Ft. Sill. This morning's mail brought to the police and sheriff's departments all over the country notices from the adjutant general of the regular army, descriptive notices of five deserters from the Fifth Field artillery, Company B, who left their post on the night of April 11. With the exception of one, whose home was given as Texas at the time of enlistment, all the deserters are from the east, New York and Pennsylvania.

VISITING OLD FRIENDS.

Sid Randolph, a former Grady county citizen, but now a resident of Lawton, arrived in Chickasha yesterday morning and spent a pleasant day meeting old friends and renewing old acquaintances. Mr. Randolph was formerly a resident of Rush Springs, leaving there four years ago. This is his first visit to Grady county since leaving here. He stated this morning that he had not missed a day's work during the last four years, part of which time has been spent in Mexico.

A Little Blossom To Delight the Home

When it is known that in the near future the home is to be blessed with a new arrival the first thought should be "Mother's Friend." This is an external remedy gently applied over the stomach muscles. It makes them firm and pliant, they expand naturally without undue strain. It removes from the system those inducements which are responsible for much of the pain incident to the period of expectancy. It is for this reason that much of the sickness such as morning sickness is avoided. All prospective fathers should see to it that the expectant mother is provided with a bottle of "Mother's Friend."

If more convenient get a bottle on your way home. Remember that many of our most valuable aids to health and comfort and safety are only such when our knowledge of them is put into action. Begin early to suggest its use and "Mother's Friend" will soon become one of the most helpful influences ever devised for avoiding much of the distress incident to coming motherhood. The directions are simple. Get it at any drug store. It is applied by the expectant mother herself. It penetrates deeply and affords quick and splendid relief in a most gratifying manner and reflects a physical betterment to the nervous disposition of the baby. Don't fail to get a bottle of "Mother's Friend" today and then write Brinfield Regulator Co., 713 Lamar Bldg., Atlanta, Ga. for a pretty little book brimful of information for expectant mothers. It is a delight to read it.
